Summary of Investigation:
On July 13, 2011, at approximately 1900hrs along with Det. Fehrenbach, RMP# 760 (movement log page # 261), I responded to the 67 Squad to debrief the subject Levi Aron on possible past crimes that involved children of sexual or physical abuse. In sum and substance the results of the conversation was as follows:

Mr. Aron acknowledged it was his Birthday and he is a practicing Orthodox Jew, eats Kosher food, attends services on Shabbos and that his parents are also highly Orthodox. He said he loved Kara oke and had a dream to be a singer/entertainer either on American Idol or comparable contests. He noted that when he lived in Memphis he frequented a place called Memphis sports pub for their Karaoke contests and proceeded to explain that he has his performances on singsnap.com/Levia, page #3 (review of the page revealed the site had closed his account). He relayed that he liked helping people and was currently helping out his best friend David Barsky, by keeping Barsky's DJ equipment in a U-haul on 4th Ave and 6th Street - storage room # 6566. He was very concerned that Barsky would not get his property back and Aron would be held responsible. Additionally, Aron mentioned that he has a Gray Van 1993 Voyager (registered to him) Tennessee plates 331 FQH and the muffler and brakes need repair. Also, he said that the Van had to be moved on Friday afternoons so it would not be summonsed and he is waiting for Barsky to be released from Riker's Island as he has allowed Barsky to borrow the van for his profes sional use Barsky NYSID# 04637027Y, Arrest# K11633504 Arrest date 4/7/11 VTL MV no license dob 5/22/59 m/w/52. Aron then delineated his childhood, father, mother's passing in 2004 and his father's new wife (step mother). He said he got divorced but remained very good friends with his ex wife. Lastly, he was reminded of possible past crimes against children relating to physical or sexual abuse that he may have knowledge of, and he said that he recalled an incident when he was about 18 years old during t he summer months. He said he was riding the subway (F-train) from Bleeker Street and a Jewish male in his late 20's or early 30's (unknown to him) approached him and began rubbing and feeling on him and he moved to the opposite side of the train. He said "but I never did that to a child because i don't swing that way." The subject stated that he wanted to say more but he was unsure what to say. He thanked us for talking to him and at approximately 2150hrs the interview ceased.
