

## Mary Calvi's Pancake Recipe

For Pancake Batter:

1 C pancake mix

½ cup milk

1 egg

Handful of blueberries

Handful of strawberries

One banana

Whipped cream

One cherry

Split the batter into three equal parts:

For one, add in a handful of crushed blueberries

For one, add in a handful of crushed strawberry

For the last, leave as is, use it to make one large pancake- cut in half to use of the "ice cream bowl"

Use the colorful batter to make "scoops of ice cream"

Cook as directed for pancake mix you are using.

On a plate, place "bowl", then add sliced banana, add as many "scoops" as you'd like, top off with whipped cream and a cherry

Enjoy!
