AM PEAK	Peak tickets required. Off-Peak one way and ten trip tickets not honored. Senior citizen/People with disabilities tickets not honored. No bicycles are allowed on Peak Trains.
PM PEAK	Peak tickets required. Off-Peak one way and ten trip tickets not honored. No bicycles are allowed on Peak Trains.
After the Game	Trains are subject to be held at Mets-Willets Point at the conclusion of events for loading purposes, which may result in missed connections at Woodside or Penn Station.
Instructions for Mobility-Impaired Customers Going to Mets-Willets Point Station	LIRR customers with mobility impairments who are traveling to Citi Field ballpark should travel to Woodside Station. At Woodside Station, which is accessible via elevators, customers should transfer to a Flushing-bound #7 subway train to the Mets-Willets Point subway station, and then use the ramp to reach Roosevelt Avenue, across from Citi Field ballpark. To return to Woodside after the game, customers with mobility impairments would need to board the #7 subway and travel one stop east to its end point, the Flushing-Main Street Station. There, after a brief wait on the train, the subway will head west to Woodside. (This is necessary due to the location of the ramp, which will only permit access to the eastbound platform.)
