

## FROM THE MOORE FAMILY

On May 2, 2015 our loved one Brian Moore, a New York City Police Officer, assigned to the 105 PCT in the anti-crime unit, was brutally shot in the head, when he and his partner were about to approach a violent convicted felon who was armed with a firearm. After a long fight for his life, PO Brian Moore succumbed to his wounds on May 4, 2015. Due to these cowardly actions, a mother and father are left without their son, a sister is left without her brother, and his family and friends are left with emptiness in their hearts that can never be filled.

Many people have asked our family where donations can be made. Donations can be made directly to **Raymond Moore** and mailed to

**NYC PBA Office  
125 Broad Street  
New York, NY 10004-2400.**

Once again we would like to thank you for all of your love, support and generosity during this unforeseen tragedy.
