PLEASE organize all of your paper work in advance as we will be accommodating 20-30 minute consultations, during which time we will review all of your documentation, advise as to re-entering the FEMA review claims process, and we can also review your NY Rising documentation. Paperwork should include: Flood insurance declaration page, prior adjustments for structure/contents, denial letters, invoices, receipts, photographs, NYR Award Letter/Grant

****A reminder, September 15, 2015, is the last day to enter into the FEMA review process.
You can enter by calling FEMA Intake at (866) 337-4262****
