

Convocation for Student Justice Hunger Strike Demands

Priority Demands

That will end our hunger strike immediately:

1. We demand a meeting with Governor Gavin Newsom
2. We demand a meeting with Kyla Johnson-Trammel and the entire OUSD board
 - a. Since we understand there are constraints on meeting with all 7 of you outside of an official board meeting, we are more than okay meeting with you all in smaller groups, **the priority for us is meeting in person as soon as possible.**

Additional Demands

3. We demand that Governor Newsom put an immediate stop to school closures in OUSD by including a line item in his budget to repay the remainder of the \$100 million dollar loan forced on OUSD.

Or

We demand Gavin Newsom, Nancy Skinner and Tony Thurmond cancel the remainder of the loan which is preventing the OUSD Board of Education from acting in the best interest of the students, families, and educators they were elected to represent.

4. We demand that the State of California Amend state law and revise the ADA formula that penalizes schools for student absence due to sickness.
5. We demand that Oakland Board of Education immediately stop violating all of the following policies passed in the last year:
 - the Equity Analysis piece of the Reparations policy
 - the Moratorium on closures
6. We demand the Oakland Board of Education join calls for an investigation and audit of The Fiscal Crisis and Management Assistance Team (FCMAT), and call for a REFUND to OUSD of fees paid to FCMAT for re-investment into our school programs.
7. We demand that the Oakland Board of Education start the process of applying for the \$3 billion dollars of full-service community schools funding.
8. We demand that the Oakland Board of Education be an ally to the movement by compiling real numbers on how much we are going to get in funding next year from all sources.
9. We demand a public, transparent, and thorough audit of the OUSD budget in light of the egregious fund-mismanagement outlined by the grand jury report on OUSD titled *2018-2019 Grand Jury Final Report*.
10. We demand no Alameda County or State takeover of OUSD.
