Redistricting Impact Statement

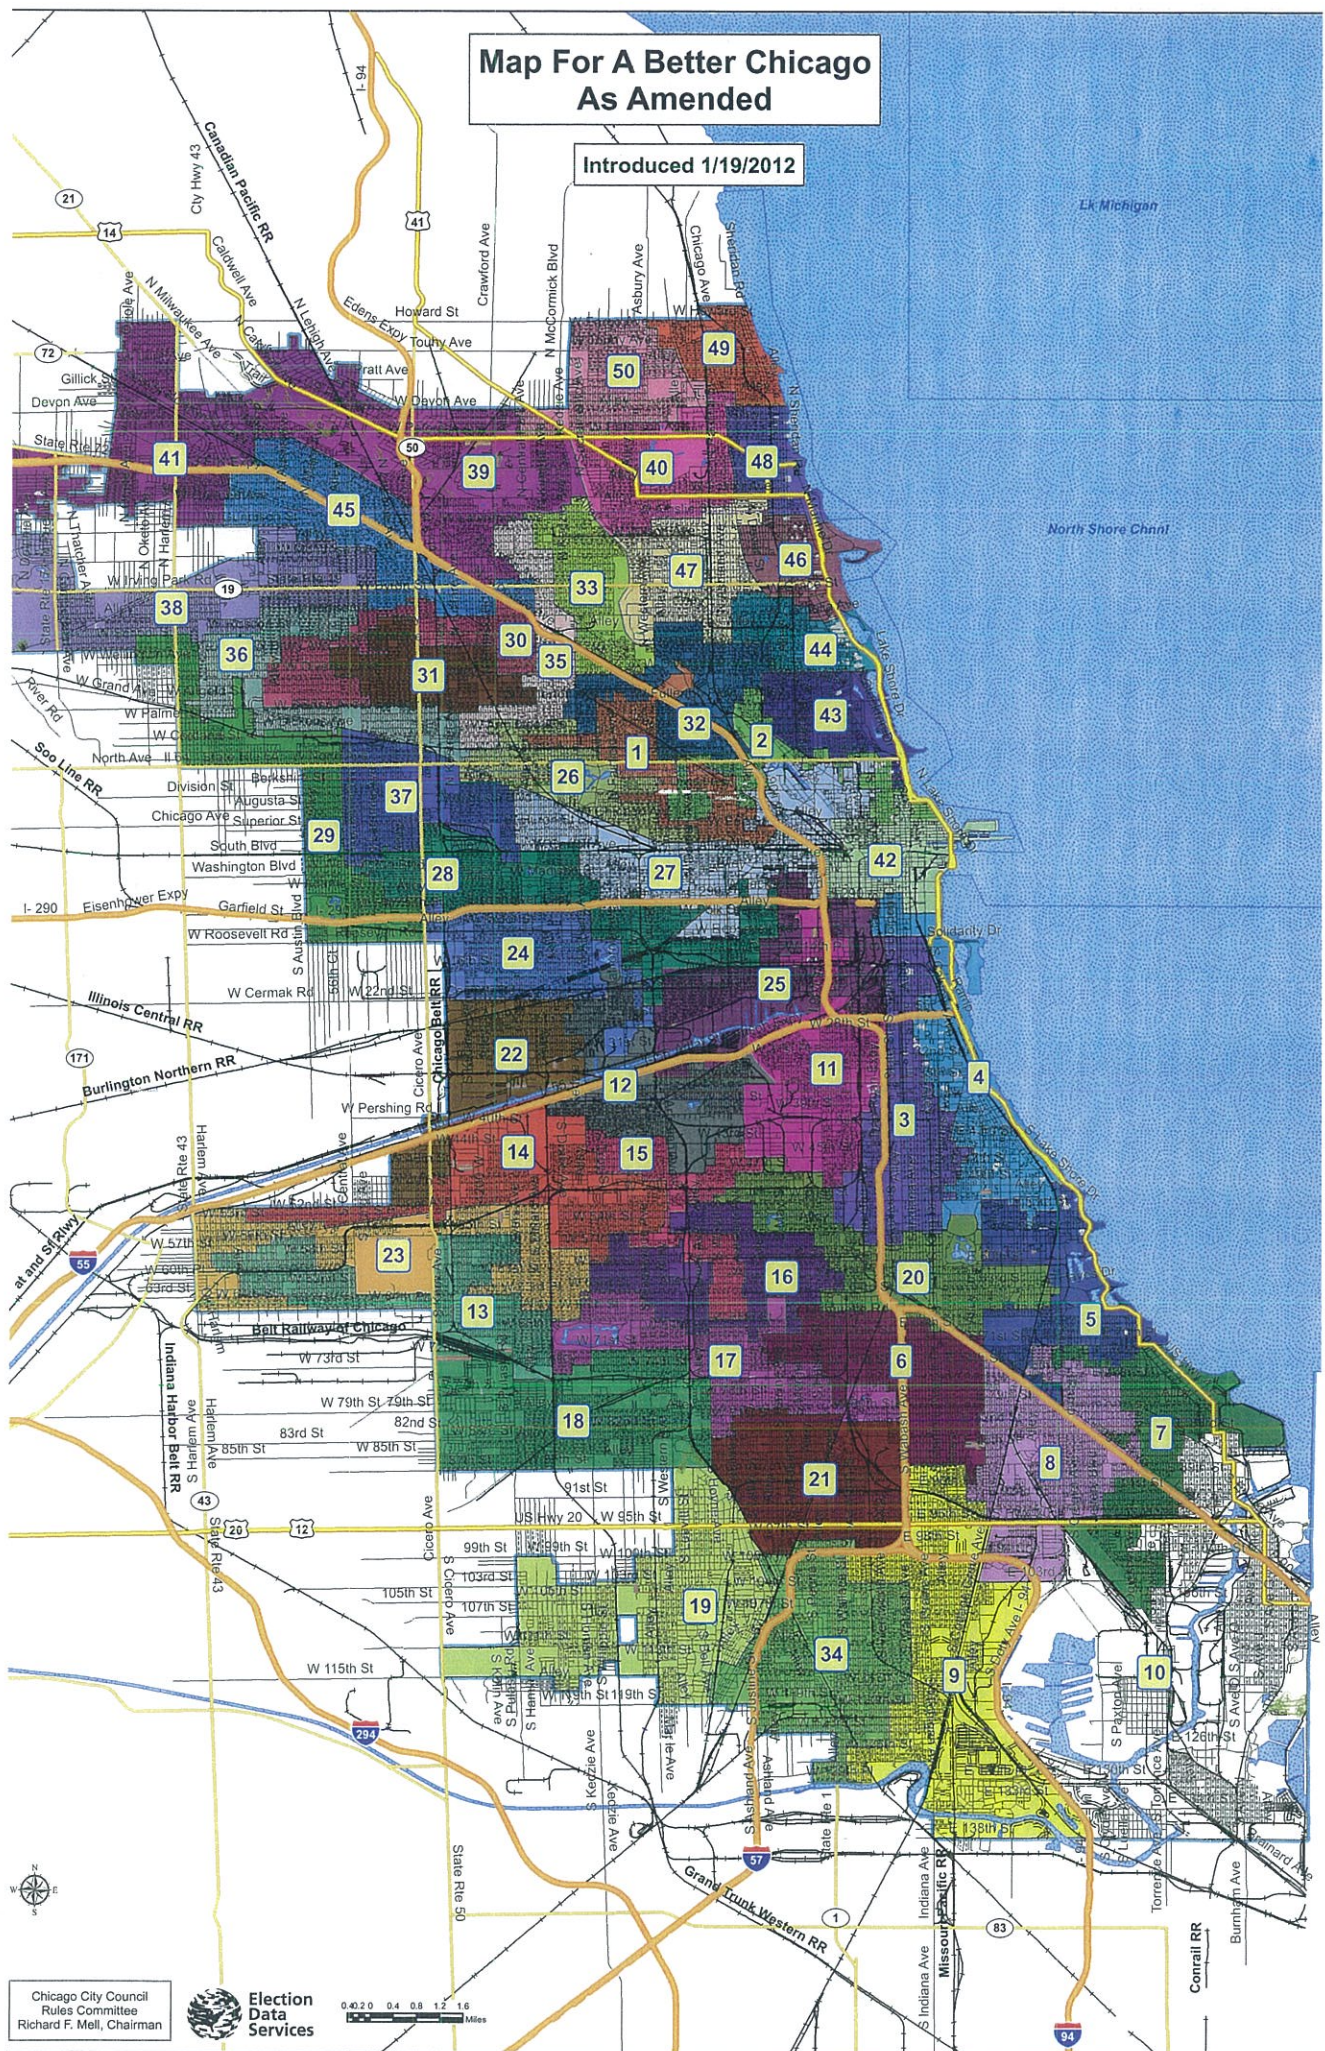

The proposed map satisfies the requirements of the United States Voting Rights Act, the United States Constitution and the Illinois Constitution in that this map provides fair and equal opportunity for minority residents of the City of Chicago to elect representatives of their choice. The map creates eighteen (18) wards in which a majority of the total population is African-American and thirteen (13) wards in which a majority of the total population is Hispanic. In four (4) wards, moreover, no racial group or language minority group constitutes a population majority; minority communities combine to form a majority in each of these four (4) wards.

Declaracion Sobre El Impacto De La Reestructuracion De Distritos.

El mapa propuesto reúne los requisitos de la Ley sobre Derechos de Voto de los Estados Unidos, de la Constitución de los Estados Unidos y de la Constitución de Illinois, por cuanto este mapa provee oportunidad justa y equitativa a los residentes de la minoría de la Ciudad de Chicago para elegir a los representantes de su preferencia. El mapa crea dieciocho (18) distritos en los cuales una mayoría de la población total es Africo-Americana y trece (13) distritos en los cuales una mayoría de la población total es hispana. Mas aun, en cuatro (4) distritos, ningun grupo racial ni grupo de lenguaje de la minoría constiuye la mayoría de alguna población; las comunidades de la minoría se combinan para formar una mayoría en cada uno de estos cuatro (4) distritos.
