

Buy a **Poinsettia-Plant** Help John Keep his Kidney **Trans-Plant!**

Dear Friends & Family:

Thank You to all who supported our cousin, John Rigolizzo, last holiday season!! **We are thrilled to announce that John received his kidney transplant on March 29! We celebrate his hero donor and daughter, Marita! With this second chance at life, John's transplant expenses have just begun, and he still needs your help.**

In 2007, John learned he was suffering from stage-5 renal insufficiency. After four years of waiting, John finally received his second chance at life. But that's just the first of many hurdles he faces. John and his wife, Marita, have four children and a granddaughter. Many of you know Marita through our office, as she is our Insurance Coordinator and often answers the phones at Kadar Orthodontics! John feels stronger and healthier as each day passes, and he looks forward to getting back to farming and spending quality time with his family.

Unfortunately, John's new life came at a very high price.

The average kidney transplant costs \$250,000, and now he must take medications for the rest of his life to keep his body from rejecting the new kidney. Here's how your gift can make a difference:

- \$25 can help with gas and travel costs to post-transplant check-ups
- \$75 will help with one prescription co-pay
- \$500 will help with one anti-rejection prescription co-pay
- \$1,000 will help with John's monthly insurance premium

At Kadar Orthodontics, our goal is to support the health and well-being of our community! Now, we are asking for your help for one of our own – **Please consider purchasing a Poinsettia plant for the holidays.** All proceeds will be used to help with John's transplant costs!! If you prefer, visit www.transplants.org to make a secure, online donation. Click on Patients We Help and search for John Rigolizzo. **Make sure to check the box indicating your donation is "in honor of John Rigolizzo."** Your generosity is much appreciated!!

Lori & Tom Kadar

Poinsettias are available in red and white. Cost is 1 for \$25 or 2 for \$45. Each plant is in an 8" diameter pot with 3 plants in each pot. The plant will be approximately 2 ½ - 3ft tall. Each plant will have 15-25 blooms. They are floor plants similar to above pictures.

Pre-order your Poinsettia by December 10. Pickup at Kadar Orthodontics during office hours the week of December 12th.
