* A plan is currently underway by concerned and dedicated leaders in the community to structure and fund up to fourteen mission schools to ensure their long-term viability. Previously, these same lay community leaders have completed a similar mission program at the former school of St. Martin de Porres Parish. Over time, it is hoped that this effort will be replicated, once funding is able to be garnered, to sustain the commitment of the Archdiocese to serving the needs of urban communities, especially at the elementary level.

While there is no assurance that schools under review will ultimately become mission schools, the schools presently under consideration include: St. Helena and Incarnation of Our Lord partnered at the Saint Helena site, Our Lady of the Blessed Sacrament and St. Donato partnered at the St. Donato site, St. Gabriel, St. Thomas Aquinas, St. Malachy, Visitation BVM, Our Mother of Sorrows/St. Ignatius, St. Rose of Lima, Mary, Mother of Peace, St. Martin of Tours, The DePaul Catholic School, St. Cyril of Alexandria, St. Peter the Apostle, and St. Veronica.
