

2013
Montgomery County Health Department
Free
Influenza Immunizations (Flu Shots & Nasal Spray)

**Montgomery County residents can receive a
free influenza immunization at any of our 3 health centers.
Please see the schedule below for our dates, times, and locations.**

It's not too late! Influenza can occur at any time. In recent seasons, most infections have occurred in January and February. Getting vaccinated in December or even later will still be beneficial. Most people **6 months of age and older** should get flu vaccine every year!
