The Honorable Donald J. Trump  
President of the United States  
The White House  
1600 Pennsylvania Avenue, N.W.  
Washington, D.C. 20500

Dear President Trump,

I'm sending you a photo of the five year old child, who was deported this morning with his mother, despite possibly being eligible for Special Immigrant Juvenile Status. This child and his mother fled their home country in fear of their lives, and face a real possibility of violence in being returned there. I spoke to your Chief of Staff about this child earlier and this is one of the families I mentioned in my earlier letter to Secretary Kelly. A copy of that letter is also included.

We are better than this. You have the power to help this child return to safety and to help the other families in a similar situation currently detained at the Berks County Residential Center.

I appreciate your prompt attention in this matter and look forward to a prompt response.

Sincerely,

A handwritten signature in blue ink that reads "Bob Casey, Jr." in a cursive style.
