Dear Mr. Steen:

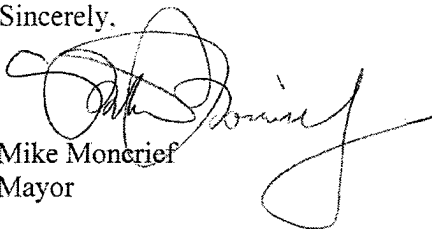

Please accept this letter as one in opposition to the issuance of a permit to Airport Cabaret, LLC at 1500 Airport Freeway in Fort Worth, Texas.

National research indicates that an increase in the number of alcohol outlets increases the number of fatal and injury producing automotive accidents. The threat of inebriated patrons driving under the influence due to the sale of alcohol at this location will increase the danger to persons commuting to or in the vicinity of DFW International Airport and the headquarters of American Airlines. Both of these organizations are vital to the economy of Fort Worth. In addition, the area surrounding Airport Cabaret will be subject to increased criminal activity including, but not limited to driving while intoxicated and public intoxication as well as various other offenses involving drugs, gambling, prostitution, firearms and engaging in organized criminal activity.

Denying the request for a liquor license to Airport Cabaret, LLC is a step in the right direction in helping to prevent these problems before they occur near locations where thousands upon thousands of citizens and visitors travel day and night in and out of the airport area.

Thank you in advance for your consideration of this important request.

Sincerely,

Mike Moncrief
Mayor
