Re: Don T. O'Bannon - Resignation

Dear Linda:

As discussed and as we agreed, I have made the decision to resign my position with the Dallas Fort Worth International Airport Board as Vice-president of Business Diversity and Development.

I have enjoyed my more than eight years of service with DFW airport. I am extremely proud of the national recognition the airport's supplier diversity program has received due to my efforts to increase the participation of minority and women owned businesses in DFW airport's contracting and concession's business opportunities.

Respectfully,

Don T. O'Bannon, Esq.
