

Statement from Power Balance:

“Power Balance was created out of the principal that the founders wanted everyone, no matter what their level of activity, to maximize their potential and live life to the fullest. At the end of the day, people can try the Power Balance for themselves and if they don’t feel they are gaining the benefits from the product, they can return it for a full refund – no questions asked.”

Thanks and please forward any links to your story after it airs.
