March 24, 2010

Dear Friend of the Sheriff,

Due to recent increase in violence within our County, it has become imperative that all law enforcement receive the best training available.

We have an opportunity to receive priceless information for our law enforcement community within Hunt County. However, this training does come with a price.

Marx Howell, a 32 year veteran of the Texas Department of Public Safety, a graduate of the FBI National Academy, holds a Bachelor of Science Degree in Criminal Justice, and served in the United States Marine Corps. Mr. Howell is the instructor for the course that we want to provide for area law enforcement. The course is called Advanced Criminal Investigative Analysis and covers such topics as Criminal Profiling, 4 concepts of violence and how it looks in the form of offender behavior, 10 characteristics of public shooters, and much more. I have personally been through this course and the education I received was tremendous.

Our plan is to have Mr. Howell here on May 4, 5, and 6 at the Greenville Paris Junior College. They have graciously given us a class room to use. We expect to have sixty persons attend this class. This is where you come in. The cost for the class alone is \$5,000.00. We are looking for sponsors to help us bring this vital information to our law enforcement personnel. All of our sponsors will be recognized in all of the handouts given in the class. You will be recognized each day by Mr. Howell. There will be a press release with all the local media recognizing your participation in getting this vital information to those who protect us daily. Your charitable gift of \$500.00 or \$1,000.00 or whatever you can donate for this worthy cause will be greatly appreciated.

I have enclosed a self addressed envelope for your convenience. I am available to meet with you and answer any questions that you might have. Also, my direct line is 903-453-6815. Please make your checks out to Friends of the Sheriff. We cannot do this without your help.
