To: Parents/Guardians of Kennedale High School Students  
From: Kennedale ISD Administration

Dear Parents/Guardians:

As you might be aware, an incident recently occurred involving a Kennedale High School teacher. Kennedale ISD has and will continue to cooperate fully with the Arlington Police Department and their investigation.

At this time, the District is prohibited from commenting further on any personnel based on Texas law, the Family Educational Rights and Privacy Act and Kennedale ISD District Policy. You may refer any questions you have regarding those statutes and policies to my office. Other than responding to those types of questions, the District is unable to further comment regarding this matter.

Please know that the safety and security of your child and all Kennedale ISD students is extremely important to the Board of Trustees and staff of the District. As the alleged acts occurred off campus, once Kennedale ISD personnel were put on notice, immediate action was taken.

We look forward to finishing this school year on a positive note.

Sincerely,

Gary W. Dugger,  
Superintendent
