Dear Parent:

It is with tremendous regret and sadness that I write this letter. Earlier today, one of our Hood Middle School students was killed by a homeowner while the student was burglarizing a house in the neighborhood during the school day.

Our thoughts and prayers are obviously with the family and close friends of the student who is no longer with us. The Dallas Independent School District has sent additional counselors to our school to help talk with students. Please let your child know that staff is available to talk with him or her during this time. Also, we encourage you to listen to your child and allow him or her talk to you about the loss.

The staff at Hood Middle School remains proud of our students and we are as committed as ever to prepare each and every one of them for a lifetime of success. If you need additional information, please contact the office.

Sincerely,

Estimado Padre:

Escribo esta carta con mucho sentimiento y tristeza. El día de hoy, uno de nuestros estudiantes de Hood Middle School perdió la vida a manos de un dueño de casa mientras que el estudiante estaba robando una casa del vecindario durante el día escolar.

Por supuesto, les damos nuestras condolencias y oraciones a la familia y amistades del alumno que ya no se encuentra con nosotros. El Distrito Escolar Independiente de Dallas ha enviado consejeros adicionales a nuestra escuela para que ayuden y hablen con estudiantes. Por favor déjele saber a su hijo o hija que hay personal disponible para hablar con él o ella. Además, lo animamos a que escuche a su hijo o hija si necesita hablar sobre esta pérdida.

El personal de Hood Middle School continua orgulloso de nuestros estudiantes y estamos comprometidos como siempre a prepararlos a todos para una vida de éxito. Si necesita información adicional, por favor comuníquese con la oficina.

Sinceramente,

Dr. C. A. Williams
