

Military Couples Sleep Study

Researchers at University of Pittsburgh are investigating how sleep affects relationships and health in military couples.

You might be eligible if you and your partner are:

- Between the ages of 18 to 45 years old
- Married or living together
- Do not have sleep apnea, heart, or other major medical problems.
- At least 1 member of the couple has served in OIF/OEF/OND

Couples who complete the research study will be compensated up to \$400.
All information will be confidential.

For more information call 412-246-6404 or goodra@upmc.edu.
