To whom it may concern:

The Arden Athletic Club is hosting a fundraiser for The Billy Spillers Foundation to raise money for his wife and son. Billy and his family were involved in the massive landslide in Oso, Washington. Billy Spillers was raised in Washington County and was a former 2001 graduate of Chartiers-Houston High School. Billy proudly served his country and was a Chief in the United States Navy. He was currently living with his family in Oso, Washington when the tragic landslide occurred. Billy, his two daughters, Kaylee and Brooke, and his step-son, Jovan were tragically killed in the landslide. He is survived by his wife, Jonielle, and 4 year old son, Jacob, who was rescued from the slide. The Arden Athletic Club is hosting a charity bike ride where all proceeds are being donated directly to The Billy Spillers Foundation. Any donations, contributions, Chinese Auction baskets, or food would be greatly appreciated. The Arden Athletic Club Passed Members Bike Run is taking place on June 7th starting at 11:00 am to 4 pm. We will be hosting a dinner for all riders, members and non-members, along with a D.J. from 7-12 pm. We greatly appreciate all of the donations and help.
