Learn to Roast Your Own Coffee

October 25th, Sunday morning, 11:00AM - 12:00 noon
- \$10/per person(or household)

Are you a coffee lover? Why not take it to the next step and learn how to roast your own coffee. Home roasting is easy! It only takes 5 to 15 minutes and your reward is the freshest coffee around. It requires no fancy equipment and the green coffee beans are half the price of good roasted coffee from a retailer. This hands-on workshop gives you the opportunity to roast your own batch of beans to take home.

Also learn details about grinding, brewing and the history of coffee.
