

PRESS RELEASE

The Jeannette City School District Administration was recently made aware of a situation involving possible inappropriate conduct of a District employee of a personal nature toward a District student. Based upon the confidential nature of such matters, including the identity of any students and staff who may be involved, either directly or as individuals having information relevant to any investigative procedure, the Administration cannot comment as to any specifics.

Notwithstanding the confidentiality of information which must be preserved in such instances, this is to advise students and parents that all appropriate steps are being taken to investigate these concerns and to take any and all action that may be warranted as a result. The investigation was immediately initiated upon receiving information of concern, and is on-going. The Jeannette City School District Board of School Directors and Administration place the safety and welfare of its students ahead of all other interests, and will continue to take all necessary action to safeguard the physical, emotional and educational well-being of all students.

Dr. Matthew J Hutcheson

Superintendent Jeannette City School District
