

MINDHUNTER

Mosser Casting is looking for Background Extras, especially men, ages 18+ years old and Vehicles between the years of 1962-1995 for the highly anticipated Netflix series, *Mindhunter*. Directed by David Fincher (*House of Cards, Fight Club, Gone Girl*) and Executive Produced by Charlize Theron (*Mad Max: Fury Road, Prometheus*), the series centers on two FBI Agents who pioneered behavioral profiling.

Production has already begun and will last until December in the Pittsburgh region. Extras should expect a 12-14 hour day and are typically paid minimum wage for the first 8 hours and time and a half after that. Most extras work anywhere from 1-6 days on a Production. Anyone who is interested in working on the show should create a free profile on our database at www.mossercasting.com under the Talent Registration section and then keep an eye on their emails for casting calls.

People with period vehicles between the years of 1962-1995 are also needed. Owners would be compensated \$150 for the first 12 hours and time and a half after that. A typical shoot day is 12-14 hours. We will shoot rain or shine so if owners are opposed to getting their cars wet, please don't submit. Please submit a picture of yourself as well as your vehicle to MindhunterVehicles@gmail.com. Include your name, phone number and vehicle make, model, year and color as well as if the vehicle is in its original condition. The Make, Model and Year of your vehicle should be in the subject line of the email.
