

COMMONWEALTH OF PENNSYLVANIA  
OFFICE OF THE GOVERNOR  
HARRISBURG

THE GOVERNOR

April 21, 2017

**HAND DELIVERED**

Honorable Michael Stack  
Lt. Governor  
200 Main Capitol Building  
Harrisburg, PA 17120

Dear Lt. Governor Stack:

After consultation with the Commissioner of the Pennsylvania State Police and the Secretary of General Services, I write to inform you that, effective immediately, you and Mrs. Stack will no longer be afforded the protective detail provided to you as a courtesy by the Pennsylvania State Police. In addition, the Department of General Services will provide limited cleaning, grounds keeping and maintenance at The State House and only under supervision at prearranged times.

I do not delight in this decision, but I believe it is a necessary step to protect Commonwealth employees.

Sincerely,

A handwritten signature in cursive script that reads "Tom Wolf".
