

Support Children in Squirrel Hill & Surrounding Areas

with books about processing fear and embracing diversity

Purchase books from a list selected by early childhood professionals and they will be delivered directly to one of the many early childcare providers in Squirrel Hill and the surrounding areas. These books are designed to help children both cope with the complicated emotions they may be processing and embrace their own diversity and differences.

SEND

the books to Pitt's Office of Child Development upon check-out

WE'LL DELIVER

the books to schools and childcare facilities immediately upon receiving them

Our goal is for every child in the area to have access to these books. In order to accomplish that, we need at least 8,000 books donated. Here's our progress:
