In observance of the MLK Day of Service, the Department of Human Services' KEYS Service Corps AmeriCorps program is partnering with the Area Agency on Aging. In the morning, members will be writing thank you note for the caregivers of older adults that will be mailed to caregivers on National Caregiver Day in February.

In the afternoon, members will be participating in a variety of sessions including an AmeriCorps gear challenge with selfies in different places in the county. Watch for their posts on the [department's Facebook page](#). Additional sessions will include MLK Trivia and a TED Talk on what makes a good leader with a subsequent discussion. The observation will be held virtually.
