CASE NO. CGC10-505436

**DECLARATION OF
JOSEPH W. COTCHETT IN SUPPORT
OF PETITIONERS/PLAINTIFFS'
EX PARTE APPLICATION FOR
TEMPORARY RESTRAINING ORDER
AND ORDER TO SHOW CAUSE RE
PRELIMINARY INJUNCTION**

Date: Monday, Nov. 22, 2010
Time: 11:00 AM
Department: 203
Judge: Hon. Charlotte Woolard

Complaint filed: November 16, 2010
Trial date: None

1 I, **Joseph W. Cotchett**, declare:

2 1. I am an attorney duly admitted to practice before all courts of the State of
3 California and am a named partner of Cotchett, Pitre & McCarthy, and one of the counsel
4 for Petitioners/Plaintiffs in this matter. I make this declaration in support of the *Ex Parte*
5 Application of Petitioners/Plaintiffs for a Temporary Restraining Order and Order To
6 Show Cause ("TRO/OSC") regarding the planned sale of eleven state-owned office
7 building complexes.

8 **COMPETITIVE BID TO RETURN PROPERTY TO THE PUBLIC**

9 2. Attached as Exhibit A is a true and correct copy of a "Transaction
10 Summary" from QueensFort Capital, which was a competitor bid to California First. It
11 reflects a bid in the amount of \$3.5 billion for the Eleven Office Properties and a "\$1
12 Purchase Option in Year 20 for all Eleven Properties." Upon information and belief, and
13 as reflected in this document, QueensFort Capital was one of several bidders that was **not**
14 **selected** by the Department of General Services ("DGS") despite the fact that the terms of
15 its bid were more favorable than those of the winner that was selected, California First
16 LLC. It would return the buildings to public ownership after 20 years.

17 **CONFLICT OF INTEREST IN VOTE OF PUBLIC WORKS BOARD**

18 3. Attached as Exhibit B is a true and correct copy of a Fresno Bee news
19 article entitled "Calif board clears the way for sale of state buildings" dated November
20 15, 2010. Upon information and belief, and as stated in the article, the state Public Works
21 Board voted 3-2 Monday November 15, 2010 to retire bonds on several of the affected
22 state-owned buildings so that the buildings could be sold to California First LLC, and also
23 as reported, representatives for state **Treasurer Bill Lockyer** and **Controller John**
24 **Chiang** voted against the sale to California First. The three Schwarzenegger
25 Administration officials voted for the sale. Upon information and belief, one of the three
26 Administration officials who voted for the deal was a DGS official who should have
27 recused himself due to an obvious **conflict of interest**. If the DGS representative had

1 recused himself the vote would have been 2-2 and the measure would not have been
2 approved.

3 **TERMINATION OF 1400 EMPLOYEES IN REAGAN BUILDING**

4 4. Attached as Exhibit C is a true and correct copy of a letter received in a
5 package from a whistle-blower (no return address was provided), the letter is dated
6 November 1, 2010 from the Department of General Services ("DGS") to an employee in
7 one of the eleven buildings. The letter states that "[t]he Department of General Services
8 (DGS) is reducing staff in an area that affects your class of [redacted by sender] because
9 of the recent sale of eleven properties. The sale of these properties will have an impact
10 on approximately [redacted by sender] employees. The impacted will include
11 Sacramento/Yolo, San Francisco/Alameda, Los Angeles and Sonoma Counties." Upon
12 information and belief, over **1400** of these letters, which are known as "SROA Letters"
13 (or **pink slips**) **were issued by the DGS to employees** in the Ronald Reagan Building.

14 5. Attached as Exhibit D is a true and correct copy of a letter received in a
15 package from a whistle-blower (no return address was provided), the letter is dated
16 November 1, 2010 from the DGS to an employee in one of the eleven buildings. The
17 letter states that "[t]his letter confirms that effective the date of this letter **you are**
18 **designated surplus**" (Emphasis added.) This designation is integral to the completion
19 of the sale and, upon information and belief, is being contested.

20 **ALL ASSETS IN STATE OFFICE BUILDINGS, INCLUDING JUDICIAL**
21 **CHAMBERS ARE BEING SOLD**

22 6. Attached as Exhibit E is a true and correct copy of a document received in a
23 package from a whistle-blower (no return address was provided), upon information and
24 belief, the document represents an **asset list** of state assets which are being transferred to
25 California First LLC as part of the planned sale of the eleven office buildings. As
26 reflected in the documents - **everything down to computers and desks is included.**
27 This means on its fact that the computers used by judicial officers will be owned by
28

1 private parties -- including the computers in the Attorney General's office, if the list is
2 accurate.

3 I declare under penalty of perjury, under the laws of the State of California, that
4 the foregoing is true and correct. Executed at Burlingame, California, on November 20,
5 2010.

Calif board clears way for sale of state buildings

Posted at 12:23 PM on Monday, Nov. 15, 2010

By JULIET WILLIAMS

- Associated Press

SACRAMENTO, CALIF. The state Public Works Board voted 3-2 Monday to retire the bonds on several state-owned office buildings, paving the way for California to sell property as a way to raise cash quickly in a deal that analysts warn could cost taxpayers in the long run.

The vote allows a deal brokered by Gov. Arnold Schwarzenegger's administration to move forward. It will give the state between \$1.2 billion and \$1.3 billion to plug a budget deficit in the current fiscal year.

Yet a report from the state's nonpartisan legislative analyst said last week that the sale will end up costing California taxpayers \$1.4 billion over 35 years. It said the state will pay an effective interest rate of 10.2 percent to lease back the parcels, which include 24 separate buildings, from the new owner - about double what the state pays on existing bonds used to build its offices.

Representatives for state Treasurer Bill Lockyer and Controller John Chiang voted against the deal Monday, while three Schwarzenegger administration officials voted in favor.

Lockyer told the board that he knows the governor and state Legislature, which approved the sale, faced difficult choices, but he said getting rid of such valuable property is "poor fiscal policy and bad for taxpayers."

Many of the buildings were scheduled to be paid off in just a few years.

"Taxpayers will be burdened with decades of lease payments that far exceed not only the cost of today's debt service on the buildings, but also the highest interest payments the state would incur if it borrowed a similar amount of money," Lockyer said.

He and several speakers at the hearing questioned whether state officials thoroughly weighed all their options. One proposal, for example, called for the state to sell the buildings but retain ownership of the land, allowing the parcels to stay in the public trust until after the real estate market has rebounded.

"Once the buildings are sold, they're gone forever," said Rocky Delgadillo, the former Los Angeles city attorney and now a lawyer with Goodwin Procter, one of the firms proposing the so-called public option. "They're gone for this generation and gone for future generations. So why the rush?"

EXHIBIT C

Date: November 1, 2010

To:

From: Department of General Services
Office of Human Resources

Subject: SENIORITY SCORE AND SURPLUS/STATE RESTRICTION OF APPOINTMENT
(SROA) INFORMATION

The Department of General Services (DGS) is reducing staff in an area that affects your class of _____ because of the recent sale of eleven properties. The sale of these properties will have an impact on approximately _____ employees. The area impacted will include Sacramento/Yolo, San Francisco/Alameda, Los Angeles and Sonoma counties.

Please read this memorandum in its entirety.

Surplus/SROA Program

You have been provided Surplus Status in your current classification because the department has more employees in your classification than it has vacancies. As a Surplus employee you are able to seek out employment opportunities throughout the State for which you are qualified and eligible to transfer. The Department of Personnel Administration (DPA) is posting your classification and department on its Surplus/State Restriction Of Appointment (SROA) internet site to assist prospective State employers in verifying your Surplus/SROA status.

Enclosed is a Surplus Certification letter confirming you are designated Surplus and have SROA status, effective the date of the Surplus letter. Please read the Surplus letter carefully to ensure you understand your rights and responsibilities.

The SROA process restricts the methods of appointment available to appointing powers to give employees in jeopardy of layoff and opportunity to retain employment with the State. You will be placed on the State Restriction of Appointment (SROA)/Surplus for 120 days, effective November 1, 2010.

Enclosed is a copy of a Scantron form completed on your behalf and submitted to the State Personnel Board (SPB). SPB is placing your name on an SROA employment list for your current classification in the same county (see above areas impacted) you currently work, and you may receive employment contacts from State employers.

Please review the enclosed copy of your Scantron form for the following:

- Correct contact information – make any changes to your address, and phone number
- Fill in the Delete circle if you want to be removed from the SROA program
- Change and/or add the counties you will work in
- Or would like appointment to a position requiring a second language
- Sign and date the Scantron form beneath the personnel office signature and date

Please return the scantron (signed and dated) in the enclosed self addressed envelope by **December 1, 2010**, if all sections of the Scantron are acceptable or if you have made changes. If you have any questions regarding the Scantron or should you choose to change any of this information in the future (after December 1, 2010), please contact the Placement Resources Team Hotline 916-376-5406 or e-mail the team at placementresourcesteam@dgs.ca.gov.

Enclosed is a yellow Surplus/SROA information sheet with additional information regarding your Surplus/SROA status. Additionally, please refer to SPB's website (www.spb.ca.gov) for additional information which may be helpful in securing employment through the Surplus/SROA program. Once on SPB's website, click on the link in the upper right hand corner titled SROA.

Seniority Score

Your seniority score is as of September 23, 2010.

As of that date, there were employees in your class. When your seniority score is finalized you will be notified, and the final seniority scores will be posted on the internet (dgs@ca.gov) and available at your work site.

Seniority is based on how long you have worked for the State of California, which also may include qualifying exempt service with the Legislature, University of California, and/or California State University Systems. Certain military service also counts toward seniority.

NOTE: If you are currently in Bargaining unit 13, the contract specifies your seniority score will be based **only** on the time served within the current Bargaining Unit 13 classification. All other time will not be included. Please refer to the bargaining unit contract for specific seniority provisions.

Your ranking can change if any of the following takes place: an employee senior to you leaves the department, an error is detected in someone's score or someone senior to you demotes or transfer into your class.

Prior Qualifying Exempt Service Credits

Please read and complete the enclosed **Prior Exempt Service Questionnaire, DPA-004**, and return this form by **December 1, 2010**, in the enclosed self-addressed stamped envelope. Prior exempt service includes employment in the University of California System, California State University System, California State Legislature or a federal/local government that was transferred into California State Government.

Military Points

Please read and complete the enclosed **Military Service Information, DPA-190**, and return this form by **December 1, 2010**, in the enclosed self-addressed stamped envelope.

Some Military service in the armed forces of the United States of America may be recognized (i.e.: specific Campaigns or Expeditionary Medals) for additional service credits, which may change your seniority score.

Seniority Score Discrepancy

If you believe your Seniority Score is not accurate, you may request your Service credits to be re-evaluated by completing and returning the enclosed **Verification of Total State Service Form, DPA-690** by **December 1, 2010**, in the enclosed self-addressed stamped envelope.

Survey - Voluntary Options to Reduce Time

If you are interested in other voluntary options which may help mitigate layoff, please complete the enclosed **Survey of Voluntary Options to Reduce Time** and return by **December 1, 2010**, in the enclosed self-addressed stamped envelope.

One-on-One Session with Human Resources.

The Office of Human Resources will be meeting and/or communicating with you regarding your options. Please complete the enclosed **One-on-One form** by **December 1, 2010**, and return in the enclosed self-addressed stamped envelope.

You may appeal this notice as provided by DPA Rule 599.904, unless otherwise provided by your collective bargaining agreement.

Additional information and forms are available online at www.dgs.ca.gov or contact the Placement Resources Team Hotline at 916-376-5406 from 8:00-5:00 or email placementresourcesteam@dgs.ca.gov.

EXHIBIT D

DEPARTMENT OF GENERAL SERVICES

Administration Division Office of Human Resources

Date: November 1, 2010

To:

From: Department of General Services
Office of Human Resources

Subject: Surplus/State Restriction of Appointments (SROA) Status
Certification Letter

This letter confirms that effective the date of this letter you are designated surplus and have SROA status in the class of _____ in the geographical location of _____.

Surplus Status: As a surplus employee you should seek out vacancies in classes you feel qualified for and to which you are eligible to transfer. To assist hiring departments in identifying you as a surplus employee, the Department of Personnel Administration (DPA) has posted your class title on DPA's internet listing of surplus classes.

SROA Status: A SROA Scantron form has already been processed, on your behalf, for placement on hiring certification lists for the class and location listed above. Hiring departments use SROA certification lists to contact eligible employees for interviews when filling vacant positions.

You must sign and date the enclosed photocopy of your Scantron form (beneath the personnel office signature and date) and return the form to your department in the enclosed self-addressed envelope. If you choose to be removed from the SROA Program; wish appointment to a position requiring a second language; or elect SROA status in additional geographic locations; please mark the enclosed photocopy Scantron form indicating the change; sign and date the form; and return the form in the enclosed self addressed stamped envelope by **December 1, 2010**. Should you choose to change any of this information in the future (after December 1, 2010), you may do so by contacting the Placement Resources Team Hotline 916-376-5406 or e-mail the team at placementresourcesteam@dgs.ca.gov.

Following are additional rights and responsibilities for your reference:

- Whether you are surplus or on a SROA certification list, you have the same rights for being hired.
- You must attach a copy of this letter to your job application forms and take a copy to your interviews.

- You must respond promptly to all written or telephone contacts from a potential hiring department. If you do not, your eligibility for surplus and SROA status may be removed.
- You must appear for all interviews that you have scheduled. If you do not, your eligibility for surplus and SROA status may be removed.
- You must accept a valid job offer. You may turn down an opportunity to interview with a department as long as you notify the department of your intent. However, if you attend an interview and are offered a position, you must accept the offer or your eligibility for surplus and SROA status may be removed.

For questions contact the Placement Resources Team Hotline 916-376-5406 or e-mail the team at placementresourcesteam@dgs.ca.gov
