

## ***Investing Fundamentals: It's As Easy As 1-2-3***

### **Making the complex simple!**

"Investing Fundamentals" brings you a broad and diverse introductory-level overview of some of the more popular elements that make up the financial markets: exchanges, primary and secondary markets, stocks, bonds and mutual funds.

It also *brings insight and common-sense concepts* you can use to avoid common investing pitfalls and to help you make better, more-informed investment decisions while you build your wealth within the financial markets.

Made possible with funding from the Investor Protection Trust in Washington D.C., through the Michigan Office of Financial and Insurance Regulation, all *Investor Education In Your Community* courses are non-commercial, free from sales pitches, and available to you through your library – at no cost. You will receive quality information from a trusted source, without the worry that someone will try to 'sell' you something. It gets no better than this! Additional resources will be available onsite from GreenPath Debt Solutions and MSU Extension. Course time: 90 minutes.

When you register, inquire about the free :15-minute, 1-on-1 counseling sessions – often available before or after the presentation. Bring your financial statements and get an objective review of your current investment portfolio. Limited availability.

**Attendance is free, but space is limited. Register with your library today.**
