Should have kept Inge	Cant Bunt	Cut Rayburn	Crazy position switch	JV can't do it all
"Delmon Young..."	Bring up single 'A' No-name	Fire leyland	Any Dombrowski Complaint	Fieder "no power"
Shoulda have never signed fielder/bad contract	Fire McClendon	Free Space	Keep Smyly in ☺	Pulled a player too early
Leyland mumbling	"Valverde makes me nervous"	Austin Jackson cant lead off	Santiago should play 2 nd everyday	Team not fundamentally sound
Lack of team speed	Better weather	Resting Players	Fire Jones	Player left in too long
