

OnStar Crisis Assist Hurricane Preparation Checklist

DISASTER KIT

Be sure to have the essentials in your Disaster Kit before the storm hits.

- Three gallons of water per person (3-day supply)
- Food - at least a 3-day supply of non-perishable, easy-to-prepare food, and a manual can opener
- First aid kit and essential medications (7-day supply)
- Family and emergency contact information
- Cell phones with chargers
- Emergency blanket
- Protective clothing, sturdy shoes, rainwear and bedding
- Radio, flashlight, and extra batteries
- Necessities for infants, elderly, disabled, and pets
- Personal hygiene supplies
- Extra cash and traveler's checks
- Copies of personal documents (medication list and pertinent medical information, birth certificates, Insurance policies)

PROPERTY PROTECTION

Be sure to take the necessary steps to protect your home.

- Take photos or videos of your home and personal property beforehand
- Install hurricane shutters or buy plywood to cover windows
- Secure loose siding
- Remove diseased tree limbs so wind passes through more easily
- Make your home more hurricane-resistant according to your locale
- Bring instructions for electricity water and gas shut-off

EVACUATION PLAN

Have a set plan for evacuation and push your red OnStar emergency button if you need additional help.

- Evacuate if advised by authorities
- Ask Emergency Management Office if your live in a flood zone for help preparing an evacuation route
- Register with Emergency Management Office if you have special needs
- Store or secure outdoor items before the storm
- Know locations and phone numbers of public shelters and evacuation areas
- Pack map of your local area
- Make arrangements for pets
- Stay alert for extended rainfall and subsequent flooding even after the hurricane or tropical storm has ended
- Push your blue OnStar button for additional help
