

## **ELIGIBILITY REQUIREMENTS**

So you've seen the show and now want to know how to become a part of THE AMAZING RACE. Here is a breakdown of the selection process:

1. If you have previously applied for THE AMAZING RACE and you were a finalist in Los Angeles, please do not reapply unless you are applying with a new teammate. Unless you specifically notify us in writing that we should not consider your prior application and submission in connection with an upcoming THE AMAZING RACE, we will be reviewing your previously submitted applications and videotape submissions for THE AMAZING RACE. We may not consider any new application or submission you may submit. Second, if you have previously applied for THE AMAZING RACE and you were *not* a finalist in Los Angeles, feel free to reapply if you wish because we will not be considering your previously submitted applications and videotape submissions for upcoming cycles.
2. Semi-finalists (the number of which will be determined by Producers) will be invited to Los Angeles as scheduled by Producers for final interviews with THE AMAZING RACE producers. Roundtrip economy air travel between Los Angeles and your local airport in the United States and lodging will be provided by Producers.
3. All decisions made by the Producers are final and not subject to review or appeal.
