modified without the express written consent of the State of Florida. In no event shall the Defendant's probation be terminated early unless all monetary obligations outlined in paragraph 6 of this Plea Agreement have been successfully complied with.

13. Upon the completion of the State Prison portion of the Defendant's sentence, the State of Florida would have no objection to the transfer of his probation to the State of Ohio, provided that such transfer would be approved by the Court, the Florida Department of Corrections, and the State of Ohio. 15. Defendant and his attorney acknowledge that Defendant is entering into this Agreement and is pleading guilty, freely and voluntarily, without promise or benefit of any kind (other than what is contained within this Agreement); and without threats, force, intimidation, or coercion of any kind.

has done everything that he has been asked to do on behalf of the Defendant, and that his attorney has filed with the court all pleadings, motions, and documents that the Defendant desired, and that the attorney has investigated all aspects of the case that the Defendant has discussed with his attorney. While all bank records in possession of the State of Florida have been turned over to the Defendant's attorney, and the Defendant's attorney has had the opportunity to fully discuss the case at length on numerous occasions with the lead detective in the case, Detective Denise Love of the North Miami Beach Police Department, the Defendant understands that his attorney has not invoked discovery in this case, and has not deposed any of the witnesses. Despite the Defendant's right to require that such discovery be invoked and that such depositions be taken, the Defendant acknowledges that he is satisfied with his attorney's representation, and further represents that the fact that such discovery was not invoked and that the depositions were not taken does not affect the Defendant's decision to plead guilty herein. Defendant further represents that he and his attorney are fully aware of the facts underlying his charges of one (1) count of Violating the Racketeering Influenced and Corrupt Organization Act, in violation of Florida Statute § 895.03(3), one (1) count of Money Laundering in an amount of one hundred thousand dollars (\$100,000.00) or more, in violation of Florida Statute §896.101(3) and (5)(c), forty-one (41) counts of Money Laundering in an amount of twenty thousand dollars (\$20,000.00) or more, but less than one hundred thousand dollars (\$100,000.00), in violation of Florida Statute §896.101(3) and (5)(b), one (1) count of Money Laundering in an amount over three hundred dollars (\$300.00), but less than twenty thousand dollars (\$20,000.00), in violation of Florida Statute §896.101(3) and (5)(a), one (1) count of Grand Theft of property

valued at one hundred thousand dollars (\$100,000.00) or more, in violation of Florida Statute §812.014(1) and (2)(a)1., forty-one (41) counts of Grand Theft of property valued at twenty thousand dollars (\$20,000.00) or more, but less than one hundred thousand dollars (\$100,000.00), in violation of Florida Statute §812.014(1) and (2)(b)1., and one (1) count of Grand Theft of property valued at three hundred dollars (\$300.00) or more, but less than twenty thousand dollars (\$20,000.00), in violation of Florida Statute §812.014(1) and (2)(c)3., and that his attorney, among other things, has fully discussed the strengths and weaknesses of his case and the State of Florida's case, as well as any defenses the Defendant may have to the charges against him. Further, Defendant acknowledges that his attorney has raised all the objections and defenses that he wanted to be raised with the prosecutor and/or the Court. Defendant further acknowledges that his counsel has spoken to, and discussed his case with, all of the witnesses and prospective witnesses that the Defendant requested that he talk to, and that his attorney has discussed the case with the Defendant fully and completely. Although discovery has not been invoked and depositions have not been taken, the Defendant acknowledges that his decision to accept the State's plea offer is based upon his belief that this plea is in his best interests and because he is guilty of each of the charges against him. The Defendant further agrees that his attorney has been competent, professional, and effective throughout his representation of the Defendant. The Defendant is completely satisfied with the representation that his attorney has afforded him.

18. Defendant understands that he has the right to plead not guilty or to persist in that plea if it has already been made. Further, the Defendant understands that by pleading guilty he is

giving up certain rights guaranteed under the Constitutions of the United States and the State of Florida, including the right to be tried by a jury of his peers with the assistance of counsel, the right to have his attorney confront and cross-examine the State's witnesses against him, the right to remain silent and not to be compelled to testify on his own behalf or to incriminate himself, the right to compulsory process for the attendance of witnesses to testify in his defense, the right to appear as a witness on his own behalf if he decides to do so after consultation with his attorney, the right to have the charges proven against him beyond and to the exclusion of every reasonable doubt by the State, the right to require the State to prove its case and to carry its burden of proof without the Defendant having to prove anything regarding his innocence, the right to have the jury decide the case unanimously, and, finally, the right to appeal any adverse rulings to the Third District Court of Appeal. The Defendant understands that by entering a plea of guilty, he is giving up those rights and that there will not be a trial or an appeal of any issues unless the Court deviates from the plea agreement. The Defendant also hereby acknowledges that if he is not a United States citizen, this plea may subject him to deportation pursuant to the laws and regulations governing the United States Department of Homeland Security, Immigration and Customs Enforcement. The Defendant further understands that he is giving up his right to have a Pre-Sentence Investigation conducted by the Florida Department of Corrections. Furthermore, the Defendant further understands that he is giving up his right to present any mitigating evidence to the Court.

19. The Defendant further acknowledges that if this case had gone to trial and the Defendant was convicted as charged after

trial, the Defendant would be sentenced in accordance with the *Criminal Punishment Code*, governed by Florida Statutes §§ 921.002 and 921.0022. As such, the Defendant could have been sentenced to a maximum of a life sentence in State Prison.

20. The Defendant acknowledges that if he is found to have violated the terms of his probation he may be sentenced to a maximum of a life sentence in State Prison, unless he can prove that a mitigating factor enumerated in Florida Statute § 921.0026 applies. The Defendant further acknowledges that his attorney has made no promises or suggestions regarding the length of any sentence the Defendant would receive should he be found in violation of his probation.

21. All the agreements between the State of Florida and the Defendant are contained in this contract. There are no other agreements between the State of Florida and the Defendant with regard to this case.

22. The execution of this plea agreement by the Defendant constitutes an understanding, acknowledgment and agreement to the special conditions of probation as mentioned herein, in addition to the standard terms and conditions of probation appearing on the "Terms and Conditions of Probation" form. For purposes of the knowing, intelligent, and voluntary waiver of rights which have been enumerated herein, as well as the signature acknowledging the same below, and the initials on every page herein acknowledging that the Defendant has read the entire document, the Defendant further acknowledges that he is fluent in English, and that he has read this agreement in English, without the aid of an official court interpreter, and that he fully understands the terms and

conditions contained herein.

23. This Agreement is not binding until it is signed by the four (4) persons enumerated on Page 12 of 12 of this Plea Agreement.

Davis, Esquire, I, MARTIN KING, freely and voluntarily enter into this Plea Agreement and agree to abide by all terms and conditions of this Plea Agreement. No other promises or representations other than those which are enumerated in this Plea Agreement have been made to me by anyone, including my counsel, Larry S.
