RECEIVED
CITY OF TAMARAC
CITY MANAGER

Dear Mayor and Fellow Commissioners:

As you know I am currently recovering from a series of surgeries arising from a bout with cancer, and anticipate the need for others in the near future. This serious medical issue has caused me to revisit my future and reflect on changes to my life and priorities it necessitates.

One change has to do with my position on the Tamarac City Commission. After much consideration I have concluded that my health must come first; a decision which causes me to no longer feel that I can give the focus and attention the citizens of Tamarac and Tamarac's District 2 deserve.

Therefore, I hereby irrevocably resign my position as City Commissioner for District 2 of the City of Tamarac, Florida effective upon the payment of a settlement in the amount of EIGHT THOUSAND DOLLARS (\$8,000.00) payable from the City of Tamarac to me personally. Upon such payment and resignation I further agree to and authorize my legal counsel to enter into a Stipulation on my behalf to acknowledge settlement of the underlying litigation in *Patricia Patte Atkins-Grad v. Alvin E. Entin, et al.*, 17th Judicial Court Case No. 13-11186(02), and the appeal in *Patricia Patte Atkins-Grad v. Alvin E. Entin, et al.*, Fourth District Court of Appeal Case No. 4D13-2631, to enable the Courts to enter the appropriate Orders dismissing the pending litigation and appellate matters, irrespective of whatever decision is or may be rendered by the Fourth District Court of Appeals.

by irrevocably resigning my position as City Commissioner for District 2 of the
City of Tamarac, Florida effective upon the payment of a settlement in the amount of EIGHT
THOUSAND DOLLARS (\$8,000.00) payable from the City of Tamarac to me personally.
PATRICIA "PATTE" ATKINS-GRAD
