

MIAM MARATHON® AND HALF MARATHON

FEBRUARY 2ND, 2014

6:15 AM RACE START

AMERICAN AIRLINES ARENA

OUTRUNNING MARATHON TRAFFIC

The US Road Sports & Entertainment Team would like to thank you in advance for your display of hospitality during the 12th Annual 2014 Miami Marathon!

Please don't let traffic delay you from your destination the morning of February 2nd. Event producers for the Miami Marathon are asking that residents and businesses in Miami and Miami Beach plan accordingly for potential delays along the course by taking a different route or leaving their homes earlier.

Streets affected by the Marathon can be seen on the map shown below. For easiest access to and from the beach please utilize the Julia Tuttle Causeway. Otherwise Westbound lanes on the Venetian & MacArthur will be open for full traffic flow.

The athletes' safety is everyone's number one priority and event producers appreciate your patience and understanding when it comes to delays in traffic. All intersections throughout will be adhering to intermittent traffic flow as

directed by the City of Miami Police Dept. The flow of traffic will be guided through during gaps between runners packs, however, please understand that during the earlier miles of the course the runners are much closer together.

We also encourage you to come out and cheer for your athletes! Make your neighborhood a memorable one for runners and share your favorite photos with us using #miamimarathon!
