Narrative

On 8/13/2014, Javon Jr. was mauled to death by the father's pit bull dog. The child was last seen around 5:00am this morning. Sometime between 5:00am and 9:00am, Javon wandered out of the home through the backdoor and was mauled by the dog. The father and the father's paramour woke up at 9:00 and realized the child was missing. They called law enforcement at that time and started searching for the child. The father and law enforcement found the child in the back yard at 11:00am. The father was visibly upset when he found the child.

Javon lived primarily with the mother. He was visiting the father at the time of the incident. The mother has been notified of the child's death.

Narrative

SDM done, the risk assessment is high to moderate, the neglect score is 5 due the report for neglect, a neglect prior, services, and the child, Javon, under 2 years old; the abuse score is 2 due services, and Dad has many record for drug possession, the last was on 02/2011. The safe assessment is safe, the children are from 8 am to 6.00 pm in the daycare, this was verified at the school, and both children are in the same daycare. The case needs to be staff with our kids.

There are two priors, one for each parent with the other relation due DV, and another one for dad, Javon, when he was a teen; mom did not have criminal records, dad has criminal records the last was 02/2011, cocaine possession (the most of record are for drugs).
