RECEIVED, 01/29/2019 06:45:25 PM, Clerk, Supreme Court

The parents of eighteen victims of the shootings at Marjory Stoneman Douglas High School in Parkland, Florida (the “Parkland Parents”), through their undersigned counsel and pursuant to Fla. R. App. P. 9.370(d), hereby notify the Court of their intention to seek leave to file an amicus brief on the merits in support of Petitioners should the Court accept jurisdiction to resolve this question of great public importance.

The Fourth District Court of Appeal’s opinion certifying the question to this Court seems to have had the Parkland parents prominently in mind. They have had the collective misfortune of having been touched indelibly by one the “high-profile mass shootings” the court referenced and have filed, or given notice of their intent to file, “negligence complaints against state agencies.” The Parkland Parents therefore have a direct interest in the question presented.

Respectfully submitted,

JOEL S. PERWIN, P.A.
