January 13, 2012

Mr. Tim Tebow  
13655 Broncos Parkway  
Englewood, CO 80112

Dear Mr. Tebow:

As a member of the Colorado General Assembly, I write this letter to formally invite you to lead the daily prayer before the Colorado State House. The House of Representatives begins every day at the Colorado State House with an opening prayer to give Colorado's elected officials guidance as we take on the important task of leading Colorado. The Morning Prayer has been delivered by people of all faiths, both clergy and laity.

You have inspired Colorado. You have inspired America! Throughout your career you have consistently proven the naysayers wrong. With your hard work, determination and faith leading you, you have become a positive example for Colorado's kids. By leading the Denver Broncos into the playoffs, and giving us our first playoff victory in six years, you have given all of Colorado something to cheer about, in times that have been filled with all too often negative news. I cannot think of anyone better than you to lead the Colorado State House in the Morning Prayer and inspire our day's work.

I have conferred with House staff. We have several dates available in the next couple of months when you could come to the Colorado State House and lead us in our morning prayer – the soonest could be as soon as Wednesday, January 18<sup>th</sup> at 9:00 a.m. Our schedule is flexible, as we do not want to take you away from any practice prior to the AFC Championship game or Super Bowl.

Sincerely,

Sal Pace  
State Representative  
House District 46
