Nick's Farm Market Opens June 16

What makes Nick's Farm Market so special is that most of our produce is home-grown and picked fresh daily. We will start displaying fresh produce on June 16th as items become available to us. The season really gets into full swing over the fourth of July weekend with ice cold watermelon, cherries and more. Enjoy summer's finest at Nick's Farm Market from mid-June until mid-October.

Perennials *for year after year color*

Create Your Own Garden Retreat with Nick's Superior Quality Perennials

• Proven Winners • Plant Select • Stepables • Rockstars

New Shipments Arriving Weekly

✓ ***Bigger Roots*** ✓ ***More Flowers*** ✓ ***Healthier Plants***

The garden professionals at Nick's Garden Center can help you select the right perennials for the right location so they just don't survive but thrive in your garden.

Water Gardening

Nick's is Your Complete Water Garden Center

Best Selection of Fish
Butterfly Koi, Comets, Sarassa, Shubunkins, Koi, Tadpoles!

Create Your Own Pond

Water Pond Kit
A water feature with waterfalls, decorative rock and typically more space for water plants and fish.
Pondless Waterfall Kit
Is just what it sounds like. It is a water feature with a waterfall, but no pond.

Disappearing Fountains

Disappearing fountains are a simple and cost effective way to add sound and movement to your entry way or garden. Stop by and look at our new display.

All Kinds of Pond Plants

Water gardens come alive with fresh, thriving, colorful plants. Water lilies, irises, floating plants and rushes help keep the water clean, too.

Water Treatments

We have a complete section of all the best water treatments to keep your pond free of algae.

Evergreens

Dwarf Conifers

Speciality and dwarf conifers are valuable as specimens, accents and focal points.

Need Privacy?

Many varieties of upright junipers are useful for creating a privacy screen or windbreak. Choose from Cologreen, Blue Arrow, Blue Point, and many more.

Superior Quality Flowering Shrubs

A collection of the very best landscape shrubs for Colorado gardens, all value priced. Planting a variety of large shrubs or small shrubs in your yard can transform your landscape into a beautiful garden setting from spring through late fall. All of our shrubs are suited to our area.

Garden Accents

Ornamental Grasses

Low maintenance plants. Choose from Karl Forester, Blue Fescue, Hardy Pampas Grass, Maiden Grass, Ribbon Grass and more.

Flowering Vines

Create privacy or provide a backdrop for a bright border of flowers. Choose from Clematis, Honeysuckle, Trumpet Vine, Wisteria and many more.

Best Selection of Shade Trees and Flowering Trees

As the temperatures rise, we all realize the value of shade trees. A traditional, big, broad shade tree is great if you have plenty of space. In smaller yards, a narrow or upright shade tree is needed to prevent overcrowding while still providing beauty and relief from the noon-day sun.
