APD Case # 2012-28181

DISTRICT/COUNTY COURT, COUNTY OF ARAPAHOE, COLORADO

AFFIDAVIT FOR SEARCH AND SEIZURE WARRANT

I, Detective Mark Yacano # 15678, the Affiant herein, being of lawful age and having been first duly sworn upon oath, depose and state that I am a commissioned police officer with the Aurora Police Department and I have probable cause to believe that there is located at the place known as:

1690 North Paris Street #10, Aurora, Adams County, Colorado. 1690 North Paris Street is described as a three story multi-family apartment building comprised of red brick and is situated at the southeast corner of East 17th Avenue & North Paris Street, Aurora, Adams County, Colorado. And upon person or persons within the above described structure.

The following property which is illegal to possess and would be material evidence in a subsequent criminal prosecution. My reasons for this belief follow the description of the property below.

Any item that in the manner it is used or intended to be used, and is capable of producing death or serious bodily injury to include, but not limited to, guns, bullets, shells, shell casings, bullet magazines, tear gas canisters, tactical and ballistic body armor, any type of military equipment to include gas masks, protective eyewear, bodily fluids to include, but not limited to blood, bloody items, suspected blood, any object containing blood or suspected blood, any projectile or item which is capable of being fired out of a weapon, any knives, photos and video tape of the business, measurements, any trace evidence, microscopic evidence or evidence patterns, any items to include, cellular telephones, any documentation and literature indicating any ill will towards any of the victims, any receipts and documentation for the purchase and use of firearms and ammunition, any receipts indicating the purchase of chemicals and explosives, any documentation indicating the use of chemical and explosive devices. Electronic data processing and storage devices, computers, and computer systems, including central processing units; internal and peripheral storage devices, such as fixed disks, external hard disks, floppy disk drives, and diskettes, tape drives and tapes, optical storage devices or other memory storage devices;

peripheral input/output devices, such as keyboards, printers, video display monitors, optical readers, and related communication devices, such as modems; together with system documentation, operating logs, and documentation, software and instruction manuals, proof of ownership or control of 1690 North Paris Street #10, Aurora, Adams County, Colorado and any other evidence that may be material to this investigation or is illegal to possess.

THE FACTS WHICH GIVE RISE TO THIS BELIEF AND WHICH ESTABLISH PROBABLE CAUSE TO BELIEVE THAT GROUNDS FOR THE ISSUANCE OF A SEARCH AND SEIZURE WARRANT EXIST ARE AS THE FOLLOWING:

Your Affiant, Detective Mark Yacano # 15678, of lawful age and being first duly sworn upon oath, depose and state that I am a commissioned Police Officer employed by the City of Aurora Police Department currently assigned to the Major Crime/Homicide Unit and that the following information was obtained by me personally and from official records of the aforementioned Department.

Your affiant informs the court that on July 20, 2012 at approximately 12:39 A.M., the Aurora Police Dispatch Center received several phone calls reporting multiple gunshots being fired inside the Century 16 Theatres. This business is located at the address of 14300 East Alameda Avenue, Aurora, Arapahoe County Colorado.

These phone calls indicated that there were between 10-20 shots fired inside auditorium # 9 and that several people had been shot and were evacuating the theatre. Callers indicated that there were possible explosions as well as multiple gunshots coming from inside the theatre.

At approximately 12:40 A.M., officers from the Aurora Police Department began to arrive on scene and observed numerous people fleeing the theatre. Officer Jason Sweeney # 300364 entered the area and parked his vehicle to the south of the building and was met there by Officer Jason Oviatt # 301013. These officers then observed a white Hyundai, displaying Colorado registration 119-ROC parked on the south side the building directly next to the emergency exit for auditorium # 9. This vehicle was parked facing the building and a male party was standing outside the vehicle on the driver side with the driver side door open.

Officer Sweeney observed this male wearing what appeared to be ballistic protection, including a ballistic helmet and gas mask. Officer Sweeney initially believed that this person was a police officer but observed that the gas mask appeared to be an older version of the type utilized by the police. At this time Officers Sweeney and Oviatt directed this male to raise his hands, which he did. This male who was subsequently identified by a Colorado drivers license as James Holmes, DOB: 12-13-87 was then taken into custody. Officer Oviatt informed your affiant that upon Holmes' arrest he was asked if there was anybody else involved and Holmes' advised that there

was not. Holmes informed Officer Oviatt that the address on his license was his correct address and that there were bombs inside his apartment and they would go off if the wires were tripped.

As Holmes was being taken into custody, Officer Sweeney observed a black semi-auto pistol with a green laser sight on the roof of the vehicle. Holmes' clothing was removed at the scene by officers during his arrest. Your affiant responded to this area and personally observed the following items that were removed from Holmes during his arrest: a pair of black military style boots, a black coat, black body armor, a black ballistic helmet, a gas mask, a magazine carrier with nine magazines containing live rounds, a magazine for a pistol and a green colored plastic doorstop. Your affiant also observed what appeared to be a silver cellular telephone among these items. Your affiant also observed a black assault type rifle on the ground directly outside the emergency exit door. Your affiant observed a great deal of blood on the sidewalk outside the door as numerous victims exited the theatre through this door.

Officers from the Arapahoe County Sheriff's Department Bomb Squad responded and utilizing an explosive removal robot, removed items from the vehicle. Included among these items were two rifle cases and a pair of black gloves. A second black semi-auto pistol in a holster was observed inside the storage compartment on the passenger side door.

Holmes was transported to police headquarters where Detectives Craig Appel # 18562 and Chuck Mehl # 16848 met with him. Holmes was transported to the interview rooms located on the third floor of police headquarters where the detectives spoke with him. This interview was recorded on DVD. Holmes was advised of his rights per Miranda. Holmes requested an attorney at which time the interview was concluded.

Additional officers responded to the theatre and entered auditorium # 9 where they located ten victims found to be deceased. Your affiant briefly observed the interior to auditorium # 9 and observed the following: a black shotgun on the floor several feet inside the theatre along with six empty shotgun shell casings. Your affiant additionally observed a green colored plastic doorstop attached to the emergency exit door. This item appeared to be similar to the plastic doorstop located among Holmes' property upon his arrest. Your affiant observed two .40 caliber magazines on the floor beside the shotgun, and several empty rifle shell casings on the floor. All of these items were observed on the floor at the front of the theatre.

Your affiant observed three additional rifle magazines that appeared to still have live rounds, a 90 round Beta Mag magazine and another .40 caliber magazine on the floor leading towards the lobby of the theatre on the west side of the seating area. Your affiant observed numerous deceased parties throughout the theatre.

Your affiant met briefly with Sergeant Matt Fyles # 26218 who provided your affiant with additional information regarding the deceased and injured parties. Sergeant Fyles advised that ten parties were pronounced deceased inside the theatre. Twenty individuals were shot and transported to University Hospital, with two deceased. Six individuals were shot and transported

to Denver General Hospital, twelve individuals were shot and transported to The Medical Center of Aurora South. Six individuals were shot and transported to Children's Hospital, with one deceased. Two victims were shot and transported to Parker Adventist Hospital and another shooting victim was transported to Swedish Medical Center.

Sergeant Fyles also informed your affiant that upon Jason Holmes' arrest, his residence was identified as 1690 Paris Street, # 10, Adams County Colorado. Officers from the Aurora Police SWAT Team responded to this address and established a perimeter on the apartment building.

Your affiant spoke with Detective Tom Wilson # 13163 who responded to this address. Detective Wilson informed your affiant that upon his arrival he observed that the Adams County Sheriff's Office Bomb Squad was on scene. Detective Wilson informed your affiant that the apartment building was evacuated and the bomb squad utilized an explosive robot to make entry into this apartment. Detective Wilson informed your affiant that the explosive robot made entry to the apartment and immediately was stopped by trip wires. The explosive robot then utilized a camera and the interior to the apartment was viewed by officers. Detective Wilson informed your affiant that the camera observed the main room and observed additional trip wires that lead into different rooms within the apartment. Detective Wilson also informed your affiant that propane tanks, bottles filled with an unknown liquid and bottles filled with ammunition were observed located throughout the apartment. Detective Wilson informed your affiant that the Denver Police Bomb Squad also responded and determined that entry to the apartment was too dangerous to send an officer inside.

Your Affiant has personally observed the residence at:

1690 North Paris Street #10, Aurora, Adams County, Colorado. 1690 North Paris Street is described as a three story multi-family apartment building comprised of red brick and is situated at the southeast corner of East 17th Avenue & North Paris Street, Aurora, Adams County, Colorado. The front door to this building faces north. Apartment number 10 is located on the third floor and the front door to apartment number 10 faces west.

Application is hereby made for issuance of a search warrant, directed to any officer authorized by law to execute warrants in the county wherein said property is located, commanding said officer to search forthwith the person or place named above for said property, and the said property and every part thereof, to take, remove, and seize using such force as may reasonably be required in the execution of the warrant, and directing that return thereof be made to the judge issuing the warrant.

The Affiant has read the above and foregoing application and affidavit, and the statements therein contained are true to the best of his/her knowledge, information, and belief.
