

HOW TO WASH YOUR HANDS

Apply soap and water and
massage hands for at least
20 seconds.

Once bathroom
door is open,
throw away paper
towel.

Grab paper towel
and dry hands
while water is
still running.

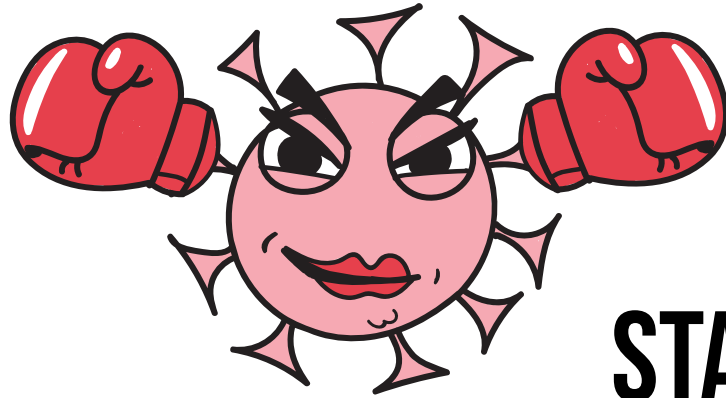

(Pull down
the lever with
your elbow if
you can!)

Take same paper towel
and use that to open
bathroom door.

Once hands are dry,
use the paper towel
to turn off faucet.
