**PRESS RELEASE – TODD HUFF**

In the early hours of this past Saturday morning, I made a very poor decision. I am prepared to face the consequences of that decision, and I realize that I have caused my family and friends great pain. That is something I deeply regret.

I also regret that I let down my colleagues and the citizens of the Third District, and I recognize that I will have to work hard to regain their trust as well. I will strive to do just that.

There are no excuses for my behavior. I can only promise that I will not make the same mistake in the future. As a first step toward accepting the consequences of my behavior, I am voluntarily relinquishing my county vehicle.

I appreciate the prayers and positive wishes that I have received from so many over the past few days.
