: Filed under Seal

MOTION TO SEAL AFFIDAVIT IN SUPPORT OF
ARREST WARRANT AND MEMORANDUM IN SUPPORT THEREOF

The United States of America, by its counsel, the United States Attorney for the District of Columbia, respectfully moves the Court for an Order directing that the affidavit in support of the above-captioned arrest warrant be placed under seal until further order of the Court. In support of its motion, the government states as follows:

The affidavit in support of the arrest warrant describes an ongoing police investigation which includes information not known to the general public. Disclosure of the information would jeopardize the ongoing investigation, would also raise significant safety concerns for both witnesses involved in this investigation and the police officers attempting to arrest the defendant.

WHEREFORE, the government respectfully requests that the affidavit in support of the arrest warrant be placed under seal.

Respectfully submitted,

Vincent Cohen, Jr.
Acting United States Attorney

GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:

Police Report:

On Thursday, **May 14, 2015**, at approximately 1:24 pm, members from the District of Columbia Fire Department were dispatched to the report of a house fire at 3201 Woodland Dr, Northwest, Washington, D.C. Upon the units arrival, firefighters observed smoke and fire visible from a second floor window of a three story residential home. Firefighters forced entry into the residences' front door and began fire suppression. The fire was primarily contained to a second floor room and closet, with minor extension to an adjacent bathroom.

While extinguishing the fire, firefighters located three unconscious adults on the second floor of the residence in a bedroom. The three adults were ultimately identified as Mr. Savvas Savopoulos, the father, Mrs. Amy Savopoulos, the mother, and Mrs. Veralicia Figueroa, the housekeeper. All three of those adults appeared to have suffered trauma to their bodies. Mr. Savopoulos and Mrs. Savopoulos were removed from the residence by firefighters, but both were found to have no signs consistent with life and remained at the scene. Both Mr. and Mrs. Savopoulos were pronounced dead on the scene. Mrs. Figueroa was removed from the residence and transported to Georgetown University Hospital where lifesaving efforts failed and Mrs. Figueroa was pronounced dead.

A fourth decedent was located in an adjacent bedroom, where the fire is believed to have begun.

GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:

This decedent remained on scene and was pronounced dead. This decedent is believed to be Philip Savopoulos, the the 10-year-old male child of Mr. and Mrs. Savolopoulos. The remains of all four decedents were transported to the Office of the Chief Medical Examiner for the District of Columbia, pending an autopsy and a determination of a cause and manner of death.

On Friday, **May 15, 2015**, Dr. Nikki Mourtzinis of the OCMEDC conducted an autopsy on all four decedents. Dr. Mourtzinis ruled Mr. and Mrs. Savopoulos and Mrs. Figueroa's cause of death was ruled to be blunt force and sharp force trauma, and the juvenile, believed to be Philip Savopoulos' cause of death was thermal and sharp force injuries and the manner of all four deaths was determined to be homicide.

The scene of the investigation is a three story, brick residential home with a basement. The juvenile decedent was located in a bedroom on the second floor, which sustained heavy fire damage. The decedent was located on the charred remains/mattress spring of a queen sized bed. The majority of the bed frame had been consumed by fire and the floor under the bed sustained heavy fire damage, and in some area was totally consumed by fire.

There was fire damage to all furniture in the room and the charred remains of some furniture features impress that some furniture was all, or nearly all, consumed by fire. A strong odor consistent with that of gasoline was present throughout the home. An accelerant K-9 was introduced to the scene and indicated the presence of an ignitable liquid on the stairs and in the room in which the three adults were located. Several matches and a matchbox were found at the top of the stairs.

GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:

Members of the Major Crimes/Cold Case Homicide Unit conducted an investigation into this offense. Members identified, located, and interviewed a person identified hereafter as W-1. W-1 stated IT is an employee of Mr. Savopoulos whose job consisted of transporting Mr. Savopoulos to and from work and handling daily assignments given to him by Mr. Savopoulos.

W-1 stated IT received a call from Mr. Savopoulos on Thursday morning, **May 14, 2015**, and IT was directed to report to the main offices of American Iron Works, in Hyattsville, Maryland, to pick up a package and deliver the package to Mr. Savopoulos at his residence. W-1 stated IT responded to the Hyattsville office and met another employee.

W-1 and the other employee responded to the Bank of America located in Hyattsville, Md. W-1 and the other employee walked into the bank at which time W-1 watched the other employee enter into a transaction with the bank manager. At the end of the transaction W-1 witnessed the bank manager give the other employee a manila envelope which contained currency (now known to your affiant to be \$40,000.00). W-1 stated the other employee gave him the envelope and W-1 drove to 3201 Woodland Drive, Northwest, Washington, D.C.

When W-1 was ten minutes away from Mr. Savopoulos' residence he called Mr. Savopoulos on the phone and informed him he was nearby and had the package. W-1 stated that Mr. Savopoulos instructed him to place the money on the seat of his red car which was parked in the garage on his house. W-1 stated when he arrived at 3201 Woodland Drive he went inside of the garage, located a key to unlock the door to the car in the garage, and placed the envelope on the drivers seat. After placing the envelope on the drivers seat, W-1 locked the vehicle and exited the garage and closed the door to same.

GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:

As detectives continued to question W-1, IT changed IT's account of the events regarding how IT received the package, where IT left the package and when IT was told to get the package. When W-1 was questioned about a text IT had received from Mr. Savopoulos on Wednesday, **May 13, 2015**, W-1 changed IT's statement.

This text was addressed to W-1 and the text directed IT to meet the other employee on Thursday morning in Hyattsville to pick up the package. After being shown the text, W-1 admitted the text was accurate and IT made a mistake about when It was first told to get the package. W-1 was also questioned about what the money was contained in when IT received the money from the other employee. W-1 admitted that IT had lied when IT stated the money was in a manila envelope when IT received the money from the other employee.

W-1 stated what actually happened was the other employee took four bundles of money from the employee's pockets and placed the money in a red bag which belonged to W-1. W-1 then drove to Mr. Savopoulos' house and called Mr. Savopoulos ten minutes before IT arrived at the home.

Mr. Savopoulos told W-1 to leave the money in the car inside the garage. W-1 stated, when IT arrived at Mr. Savopoulos' garage, IT placed the money inside a manila envelope that was in IT's car. After placing the money in the envelope W-1 stated IT placed the envelope on the drivers seat of the car in the garage.

GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:

Furthermore, W-1 admitted that IT lied when It stated the vehicle was locked, W-1 stated the vehicle was unlocked and that IT left the envelope which contained the money in the vehicle. W-1 stated IT was told by the other employee the package contained \$40,000.00 in cash.

During the course of the interview, MPD detectives requested that W-1 provide IT's cellular telephone to them. During the interview, W-1 showed detectives a number of text messages and incoming and outgoing calls with Mr. Savopoulos.

Detectives interviewed a witness, hereafter referred to as W-2, which stated IT received a text from W-1 on **Thursday, May 14, 2015**, at approximately 9:00 AM. W-2 opened the text for detectives to view. The text contained dialogue and photos of a red lined bag with what appeared to be two bundles of cash, one of which had visibly displayed, a white money wrap band. The other employee that provided the package to W-1 was interviewed and stated the money IT withdrew from Bank of America was wrapped in money wrappers from the bank and the money was separated in four bundles that totaled (\$40,000.00) forty thousand dollars.

A visual inspection was conducted of the red sports car that was parked inside of the garage of 3201 Woodland Drive; there was no visible traces of a manila envelope, loose cash or any other items on the front seat or floor of the vehicle.

GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:

While canvassing the crime scene, two Domino's pizza boxes were recovered from the bedroom in which three of the decedent's were located. During the course of this investigation, it was determined the two pizzas were ordered by a female, believed to be Mrs. Savopoulos, who requested them to be delivered to 3201 Woodland Drive, Northwest. The pizza boxes are time stamped on **Wednesday, May 13, 2015**, at approximately 9:14 pm. The pizzas were paid for by the Savopoulos's credit card.

Based on your affiant's investigation, at the time the pizzas were ordered, each of the above decedents were being held against their will. Detectives responded to the Domino's Pizza carryout restaurant and spoke with a member of management. The order taker was identified and interviewed. The order taker remembered taking the delivery order for the Savopoulos's residence on **May 13, 2015**. The order was accompanied by several out of the ordinary instructions for the delivery person. Mrs. Savopoulos provided she was nursing her sick child and she would not come to the door. She further instructed the delivery person was to place the two pizzas on the front porch, ring the door bell, and leave.

The delivery person was identified and interviewed by detectives. The delivery person advised that it responded to the Savopoulos's residence, as instructed. All of the lights in the house were out, with only the front porch light was on. It placed the pizzas on the porch and left as instructed.

One of the pizzas appeared to be a whole cheese pizza with none of the pieces consumed. The second pizza was pepperoni and appeared to be $\frac{3}{4}$ or more consumed. Additionally inside the pepperoni pizza box were several pieces of pizza, and uneaten crust from a partially eaten piece or pieces of pizza.

GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:

The partially eaten pizza crust was recovered by members of the Metropolitan Police Department's Mobile Crime Unit. This evidence was then examined and processed for the recovery of DNA from the partially eaten pizza. The examination was conducted at the Alcohol Tobacco, Firearms, and Explosives Forensic Laboratory, where a DNA profile was obtained. This profile was uploaded in the FBI CODIS database. A CODIS match was reported. A DNA match was made between DNA recovered from the partially eaten pizza crust and an individual identified as the defendant, Daron Dylan Wint, black male, born November 27, 1980, FBI#:416874MC4 who was in the national CODIS database.

After a check of the Savopoulos's residence, it was determined that in the early afternoon of **May 14, 2015**, Mrs. Savopoulos's blue, 2008, Porsche 911, bearing D.C. Registration DK2418 was missing. An individual hereafter referred to as W-3 was identified, located and interviewed. W-3 provided that at approximately 1:30 PM IT observed a blue Porsche 911 driving outbound on New York Avenue, Northeast, Washington, D.C., headed towards Maryland. The vehicle was being driven erratically by a black male, with short well groomed hair, wearing a neon lime green construction vest.

On Thursday, **May 14, 2015**, at approximately 5:30 PM, Mrs. Savopoulos's vehicle was located in the rear of 8001 Annapolis Road, New Carrollton, Maryland, on fire. Video surveillance recovered from the area near the car fire showed a black male, wearing a dark colored hoodie, blue jeans, and carrying a bucket. Inside the burned out remains of the vehicle was a neon green construction vest. It should be noted that several neon lime green construction vests were recovered from the Savopoulos's garage.

GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:

Your affiant has reviewed multiple cellular phone records and interviewed multiple witnesses that lead him to believe that this offense began sometime shortly after 6:00 pm on Wednesday, **May 13, 2015**, and continued through the afternoon hours of Thursday, **May 14, 2015**. The District of Columbia Fire Department was notified at 1:24 PM of the fire at the Savopoulos's residence. Your affiant believes all four decedents were held captive by Mr. Wint and others until the \$40,000.00 forty thousand was delivered to the Savopoulos's residence by W-1. After the money was delivered the four decedents were killed. The defendant is not an employee of the Savopoulos family and there was no legitimate reason for him to be present inside their home at anytime.

Based on your affiant's knowledge and experience, and his observations of this crime scene, your affiant believes that the crimes described in this affidavit required the presence and assistance of more than one person.

Based on the facts set forth in this affidavit, your affiant believes probable cause exists to charge the defendant with First Degree Felony Murder While Armed and respectfully requests that a Judge of the Superior Court for the District of Columbia issue an arrest warrant for the defendant, Daron Dylan Wint
