CEAR provides environmentally responsible Electronic Waste Recycling services, we maintain the highest environmental integrity, dismantling all electronic waste on-site and sending the residual materials; plastics, glass & metals to approved downstream recyclers. We are a proud member of the Basel Action Network's responsible e-steward recycling network, [www.e-stewards.org](http://www.e-stewards.org) Every hard drive that arrives to the facility is completely physically destroyed abiding by FACTA, HIPPA and the Gramm leach Bliley Act.
