

STATE V. SETH MAZZAGLIA
PRISON CALL, AUGUST 6, 2014
BETWEEN SETH MAZZAGLIA & HEATHER MAZZAGLIA

1:16:21 Starting Point with Digital Voice Editor (28:17 with Windows Media)

HM: Have the lawyers come to visit you at all?

SM: Um, rarely because it's a bit of a haul for them but they're supposed to come visit me before the fourteenth. I'm gonna see.

HM: Okay.

SM: If there's any way I cannot attend the fourteenth.

HM: Either what?

SM: That I cannot go to the fourteenth. I already know what everyone's gonna say there so why the hell do I have to be there. And. It's a waste of my time.

HM: Yeah well it's, it's for them.

SM: Yeah well I'm not feeling particularly gracious at the moment.

HM: I know.

SM: Heh. If I had been found innocent of the big stuff like I should have been, and like I am, now then it might be a different story. Then, then I might have some sympathy.

HM: Well.

SM: But.

HM: Yeah all you can do is regret your part in it. And.

SM: Yeah but I'm gonna have to sit there for an hour and a half listening to them yell and whine and bitch and moan and scream about how I'm a monster who killed someone when I'm not. That's what I'm literally gonna have to listen to for the whole time.

HM: (Unintelligible)

SM: It isn't gonna be like oh you took away our chance of burying her, it's gonna be you're a monster and that's what it's gonna be over and over and over again.

SM: Ah.

HM: So anyway. Anyway. I'm, I mean you can, they're, they're in misery, I mean they're in agony, their, their daughter is lost, I would be the same if it were you but, you know, you have to sympathize with what they've lost and I, ask, um, ask Jacque and Melissa I mean and the verdict took long I don't see why you, eh, it's you're allowed to say that. I don't know. I don't know what they allow you to do.

SM: Well my preference would be not to attend the sentencing hearing on the fourteenth. I can get an after action report that tells me everything that I already knows gonna happen there.

HM: I think you have to be there to be sentenced so. I think they have a right to confront you because the jury found you guilty.
