

Superintendent Steven Sousa,

Its Hernandez again and I'm writing, in regards, to special visits. I just wrote you a letter a few days ago, asking for dates for my mother and brother to visit. I hope you received that and respond as soon as possible, so we can have a date or dates in place, giving me time to let my family know as well.

I am writing this letter because I was just given the dates the [redacted] will be in Massachusetts. They will be in town July 1st and was hoping they can be able to visit me. [redacted] is coming from Florida; [redacted] coming from Pittsburg. Due to their profession, they rarely have time off to visit, so they are looking forward to making thru work. They will need to know in advance; they need to arrange hotel rooms near this jail the night before, so please get back to me as soon as possible.

I am looking forward to hearing back from you, so I can plan these upcoming special visits! The ones on July 1st [redacted] and July 2nd or 3rd for my brother and mother are very soon, so please get back to me at your earliest convenience. Thank you, it will mean alot.

P.S. I hope something can be worked out; I haven't seen the [redacted] in over a year and they are like my brothers. And my brother and mother, I never get a chance to see, so it will mean a lot. Thank you!

Thank for your time and consideration,

Rann Hernandez
